## Bringing Up Baby

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

First baby about to make his (or her) debut? When you pack for that joyous trip to the hospital, apart from the basic necessities for you and baby, here are a few minor necessities that will stand you in good stead:

- A simple cosmetic kit, to indulge in a bit of luxury primping that may be by-passed when you get home.
  - Note paper and a ball point pen, to dash off those "thank-you" notes you may not have time for later.
  - Some small change for papers, magazines, stamps, etc.
- New cover story for cuties:** Gerber Snap-On Cover-All Bibs. Generously cut, they give extended coverage from shoulder to lap... waterproof protection from spills and splashes. Roomy catch-all pocket across bottom snares droplets and driplets. Adjustable neck openings and underarm snaps make for easy on-and-offing. New Gerber Cover-All Bibs are made of soft, white polyvinyl film that's easily wipeable and machine-washable. Decorated with a cunning kitten and a brace of bunnies in pink, blue or yellow. Look for them at your favorite food store or supermarket.
- Organization plan.** Home at last, with a new love in your heart and no time on your hands. If you do a bit of pre-planning and organizing your days in terms of baby's needs first and chores second, you'll fare beautifully. Household duties can usually wait—a little heart that needs you can't.
- Solid start.** Almost before you know it, your baby will be ready for cereal. Good starting point for this important step: Gerber Cereal Sixes. This handy, 6-in-1 package contains small-size boxes for pint-size appetites. Rice Cereal, Barley, Mixed Cereal, High Protein Cereal and 2 Oatmeal make up this nice-to-eat settee. Flavors are ever so delicate, the texture dreamy-smooth. And, they're enriched with iron, calcium and B-vitamins. Gerber Baby Foods, Box 72, Fremont, Michigan.
